Important customer notice

Over the years we have built up a comprehensive stock of competition and fast road parts for the Nissan K11 Micra. If you are starting out building a rally car or modifying a fast road Micra and you are not sure on which parts you need please do not hesitate to call me. I will be more than happy to just talk about the different products and offer advice.

**To order any of these parts please ring me or
drop me an email with your contact details.**

*At the end of this parts list we also have a list of customers Rally
cars for Sale and Second hand parts.
(When available)*
